for a list of more battery recycling locations, see http://www.call2recycle.org and search by zip code.									

Key: ● generally accepted
 ● accepted with restrictions
 blank not accepted or unknown
 * items accepted at a charge

Note: The accuracy of the information in this table is not guaranteed. Please check with retailers for the most detailed and up-to-date information.

Some programs charge a fee for accepting electronics; several programs (especially mail-in) offer gift cards in exchange for more valuable items.
